

### Low-income Student Support (Food)

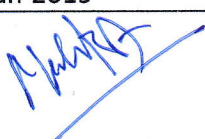

University canteens have an impact on student life are in supporting teaching and learning through proper nutrition and health practices; including the provision of special dietary requirements for some students and staff. As many students come from distant places, it is essential for the students to have nutritious food and refreshments at affordable prices so as to participate in the daily academic activities actively. The University canteen plays an important role in this regard by catering the daily nutritional requirements of students and staff members.

In this regards, The Management of University of Liberal Arts Bangladesh (ULAB) established University canteen and has made an agreement with food vendor to supply food with reduced cost remaining all nutritional elements unchanged. The canteen authority agreed and supplying foods and dishes with reduced cost have high nutritive value for the student's satisfaction. Compare to the local market food price ULAB students benefitted by consuming healthy foods with affordable price.

The Management of the University established a Canteen Committee to improve the service and food quality.
